Garmin

Garmin is committed to providing superior mobile navigation devices including GPS products for outdoor and fitness activities to make your life healthier.

AIA Vitality members enjoy up to 25% discount on the recommended retail price of selected Garmin fitness devices.

**What You Need To Know**

You can enjoy up to 25% off the recommended retail price on up to 2 selected Garmin fitness devices each membership year. The discount only applies when you make a purchase on our partner's website by going through the AIA Vitality website. Jump to 'Get Started' below to make your purchase.

**Get Started**

How to Buy a Garmin Fitness Device

Click on "Start Shopping" below.

After you make your choice and complete your purchase, your Garmin will be delivered to you, subject to customs clearance. You may need to pay an import tax/GST and shipping rates.

You are about to leave the AIA Vitality website and will be redirected to the Sports World online store.

[Start shopping](#)

Scroll Down

1 Click **Fitness Devices** from dropdown menu.

2 Search for Fitbit or Garmin and click '**Read more**'.

3 Click **Start shopping** to proceed.
